Whether you are renovating the back nine or maintaining the number 18 green, Horizon Distributors, Inc. has the products you need to get it done today. And our industry veterans are the guys you want on speed dial. Our experienced "pros" have worked with thousands of golf courses around the U.S. and Caribbean and our products have been sold to builders in Mexico, Canada and Asia. Whether you're looking for irrigation, drainage, fertilizer, chemical or specialty products and equipment, Horizon has everything you need to be a player.

Proud Distributor Of Rain Bird Golf Products*

Rain Bird is the premier line of golf irrigation products, offering innovative solutions to golf superintendents and builders. With a wide array of products such as the Eagle™ line of rotors and Cirrus™ central control system, Rain Bird can equip you with cutting-edge technology for your golf course.

Exclusive Distributor Of Jacobsen Golf Mowers In Florida

"Jake" is the first name in golf mowers, with a complete selection of mowers for all applications. Whether you are clearing a fairway or maintaining the greens, Jacobsen has the professional turfcare machinery your course needs.

Horizon Technical Services

Horizon offers the service and support your course needs to maintain the beauty and performance your members expect. Our knowledgeable, well-trained professionals are available to help you ensure your irrigation system is operating at its peak performance. And when your mower needs its seasonal maintenance, your first call is still to Horizon. That's easy to remember.

Agronomic Solutions

Want to go organic? Got it. Need a special fertilizer blend to fix your salt issues? Got it. Need someone to recommend soil amendments? Got it. At Horizon we know you need more than someone to just fulfill your orders. You need someone by your side to help you make recommendations on the best solutions for keeping your turf healthy all year long. Horizon's got the right hand man you are looking for. Let us be your partner.
