

## HUSQVARNA ACCESSORIES

### Pro Forest Woodsman Helmet

Meets standards for impact, penetration, aging, rigidity, temperature, flame-resistance, scalp pressure, noise reduction. Adjustable 6-point suspension, 25 dB(A)-hearing protectors, metal face screen, rain neck protection. Meets ANSI Z89.1-1986  
**HUS695100060**

### Arborist Helmet

Meets standards for impact, penetration, aging, rigidity, temperature, flame-resistance, scalp pressure, noise reduction. Adjustable 6-point suspension, upgraded leather headband, chin-strap and cut-off brim for increased upward visibility plus 25 db(A) hearing protectors, metal face screen and rain neck protection. Meets ANSI Z89.1 1997 G.E.C.

### Hearing Protectors

Up to 25 dB(A) NRR. Replaceable hygiene kits. Pressure adjustment on 25 NRR style. [25 dB(A) NRR], [22 dB(A) NRR]  
**HUS505665304**

### Pro Forest Logger Wrap Chaps

Tough 1000 Denier Cordura shell. Multiple-layer warp knit blend chain saw protection on front, sides, and full calf. Meets OSHA regulations. ASTM and UL classified. Adjustable length with snap extender is standard. One size fits most. 36" to 28" length.  
**HUS605000014**

### Protective Gloves

Chain saw protective material in back of left hand. Leather palm, polyester back. Velcro closure.  
**HUS505642210**

### Power Grip Gloves

Polyester with criss-cross acrylic offers a super grip. Designed for use with power equipment, but excellent as a general work glove.  
**HUS531030360**

### Files

Quality round and flat chain saw files sharpen chains with ease.  
**ORE70504 - 5/32 Round File**

### 511 A Bench Grinder

Powerful 3400RPM direct drive motor, easy-to-use controls, excellent safety features. Sharpens round-ground 1/4" .325", 3/8", 404" and 1/2" pitch chains. Sharpens 3/4" chain with special attachments.  
**ORE511A**

### Rivet Spinner

The basic tool for joining chain saw loops. Produces tight, consistent rivet spins. Minimizes risk of chain breakage. Complete unit includes "a" and "b" anvils, plus both "a" and "b" take-up handles.  
**ORE24549A**

### Chain Breaker

Bench model, drives out rivets from s1/4", .325", 3/8", .404" and 1/2" pitch chains.  
**ORE24548A**

### 12-Volt Electric Sure Sharp®

A durable, economical tool that makes hand-sharpening easy.

- Rugged, reliable
- Withstands

- periods of extended use
- Runs on a standard 12-volt auto-type battery
- Includes three sizes of grinding stones
- Sharpens any round-ground °, .325", 3/8" or .404" pitch chain.

### Bench Mounted Mini Grinder

- Mounts to bench or wall and runs on 115-volt power.
- Easy adjusting chain-vice clamp holds tight, helps advance the chain quickly
- Wall mounting requires bracket, available separately.

### Bar Scabbards

- Made from high impact plastic.
- Covers
- 13" – 16", 18" – 22", 24" – 28"

## EXMARK MOBIL 1 TRI-SYNTHETIC OIL

**Mobil 1<sup>®</sup> Makes Sense and Saves You Dollars**  
Hydro mowers using Mobil 1<sup>®</sup> Tri-Synthetic oil saves the average landscape professional thousands of dollars. With Exmark hydros using Mobil 1<sup>®</sup>, you change the oil and filter after the first 250 hours, then only once a year.

Competitors using petroleum-based oil systems recommend oil/filter changes every 200 hours, which is usually five times a year. Compare the costs yourself.

The landscape professional will save on average nearly \$2,000 over four years choosing hydro mowers that use Mobil 1<sup>®</sup> Tri-Synthetic oil.

### EXMARK HYDROS WITH MOBIL 1<sup>®</sup>

10-Micron Hydraulic Filter	\$15.50
1 Qt Mobil 1 <sup>®</sup> Tri-Synthetic oil	\$4.50
30 minutes labor	\$10.00
First-year costs for 1 mower	\$30.00
X4 mowers (average fleet size)	\$120.00
X4 years (average mower life)	\$480.00

### COMPETITIVE HYDROS USING ORDINARY OIL

5 Filters at \$12 each	\$60.00
40 qt. Petroleum oil (8qt/change)	\$40.00
2.5 hours labor (5 oil changes)	\$50.00
First-year costs for 1 mower	\$150.00
X4 mowers (average fleet size)	\$600.00
X4 years (average mower life)	\$2,400.00

## BAR & CHAIN LUBRICANT

Top-of-the-line bar and chain oil uses special tacking agents to keep oil on the bar and chain even at high RPM. Pro Forest, made from a 78% base of sunflower seed oil.  
HUSH1GALBC30

## HUSQVARNA XP-1 TRI-SYNTHETIC OIL

Specifically formulated for the extra demands of the professional end-user. Designed to offer premium protection in all 4-cycle engines. Meets the requirements of API SJ, CG-4.  
HUS610000127

## HUSQVARNA PREMIUM 4-STROKE ENGINE OIL

Premium SAE-30 4-stroke oil in a 20 oz. bottle, which is ideal for most 2 to 5.5 HP engines.  
HUS204CYC

## HUSQVARNA XP PREMIUM ENGINE OIL

Superior performance XP formula offers added protection in demanding conditions as well as reduced smoke and fuel oxidation. Contains a fuel stabilizer for better engine protection.
