

THE SRM-2320T STRING TRIMMER

Here are 5 things to know about ECHO's entry-level professional trimmer.

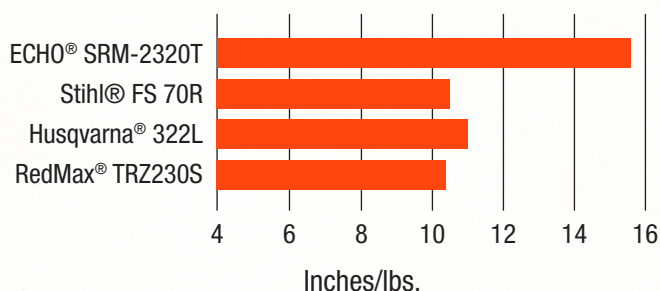

POWERFUL AND AFFORDABLE CUTTING TORQUE

Are you just starting your landscaping business? Then choose this entry-level professional model which provides powerful cutting torque as well as several commercial features including a two-stage air filtration system to capture more debris and keep the engine clean.

1 CUTTING TORQUE CATEGORY LEADER

CALCULATED TORQUE @ PEAK POWER

3 ADDITIONAL INFORMATION

Comes with patented, Speed-Feed® trimmer head. Just tap to advance.

Take the hassle out of refilling your trimmer head

- No disassembly required; easy to load
- Reload trimmer line in seconds without tools

5 WHAT SETS THE SRM-2320T APART FROM THE COMPETITION?

COMFORT

- Durable aluminum fan housing with vibration-reducing engine mount reduces operator fatigue.
- Rubber over-molded front and rear hand grips improve operator comfort
- Flex cable drive reduces vibration

PRODUCTIVITY

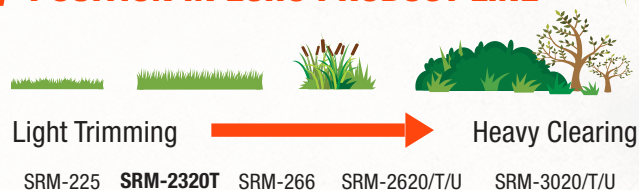

- 2:1 gear ratio provides 42% more torque than the competition to provide superior cutting performance
- Speed-Feed® 400 trimmer head re-loads in seconds without disassembly
- Insulator plate directs hot air away from the carburetor for easier restarting when hot

DURABILITY

- Two-stage air filtration protects engine and extends filter maintenance intervals
- Chrome cylinder plating minimizes wear in harsh conditions
- Full-wrap fuel tank stand for added protection
